

Kevin Thorburn
Head Coach

Kevin Thorburn was born and raised in Vancouver, British Columbia. He has a B.A. in psychology from the University of British Columbia and contributes his success to a balanced, common sense approach to coaching athletes. Kevin believes the gradual long-term development of the swimmer is ensured by the slow and incremental increase of training loads with an emphasis on stroke technique and personal development. Having coached for Canada at 3 Olympic Games, World Championships and Commonwealth Games, Coach Thorburn brings international experience and knowledge to the Etobicoke Swim Club. He has coached many swimmers to national records and championship podiums.

Assessments

Every new swimmer must go through an assessment to determine:

- Is there room in the level?

The program runs in three 12-week sessions throughout the school year:

Fall
Sept. 17 to Dec. 10, 2018

Winter
Jan. 7 to Apr. 7, 2019

Spring
Apr. 8 to June 30, 2019

If your swimmer is between the ages of 5 to 9 years old and has completed Ultra Level 4 or Swim for Life 4, attend one of our assessments. Assessments are held at the Etobicoke Olympium in the patio pool and run on a first-come first-serve basis.

An assessment typically lasts 10 minutes. No registration is required to attend an assessment. Assessments are held three times per year before each new session.

Once the assessment process is complete, the coaches will review each candidate's eligibility and capacity of the program. If your child has been approved, you will receive an email offering a position for your swimmer.
